(Alternatively, the corporation can elect to purchase 300 rounds, within the calendar year, for use by its employees and guests.)

\$18,680

ALUMNI PATRON PROGRAMS:

The patron program is designed to appeal, primarily, to those Yale Alumni who are interested in the future of the classic C.B. Macdonald golf course but who are unlikely to have more than an occasional opportunity to return and to play the course. A patron will be asked to contribute a minimum of \$1,000 (tax deductible) per year for the benefit of The Course at Yale. Patrons will be provided with a private, patron-only tee time reservation hotline, whereby they may reserve in advance, tee times for themselves and guests or up to four unaccompanied guests. The prevailing applicable green and cart fees will be payable. Tee time reservations will be guaranteed subject to scheduled tournaments, outings, and rare course closings due to inclement weather. The patron program will provide important support for special projects required to bring the condition of the course to the standard that a course of its pedigree needs and deserves. Patrons will receive a unique bag tag to acknowledge their participation in the program.

All memberships are due in one payment and must be paid prior to access to the course. Checks, cash, AMEX, Visa, or Master Card are accepted for all memberships. On receipt of payment, new members will receive an engraved membership bag tag, which will entitle the member to use the course. The identification tag must be displayed prominently on the member's bag at all times. If your dues are not paid in full, you must pay a daily fee which is non-refundable.
